## Offering Alternatives for the Patient & the Caregiver

### What is Home Health Care?

Home Health Care is a way to provide an individual with follow-up care after hospitalization, a change in medical condition, or post-rehabilitation.

The best way to recover is in your own home with family and friends available for assistance. As a Medicare Certified agency, we provide:

- ✓ Registered Nurse
- ✓ License Vocational Nurse
- ✓ Physical Therapist
- ✓ Occupational Therapist
- ✓ Speech Therapist
- ✓ Certified Home Health Aide
- ✓ Medical Social Worker

### What is the Goal of Home Health Care?

The goal of Sunshine Home Health Care is multi-faceted, depending on an individual's needs.

- ✓ Medication Management
- ✓ Surgical and Non-Surgical Wound Care
- ✓ Post Surgeries (e.g., cardiac, genitourinary, orthopedic, gastric, musculoskeletal)
- ✓ Diabetic Management/Teaching
- ✓ IV Therapy
- ✓ Pain Management
- ✓ Physical, Occupational, Speech Therapy
- ✓ Disease Management and Education
- ✓ Labs (PT/INR)
- ✓ MSW – Community Resources

Sunshine's goal is to include the patient and their families in the care to help in the recovery process.

### Testimonials....

"The caregiver was patient and took the time to really understand the needs of my father."

- Rachel K.

"I would like to take this opportunity to extend my thanks on the outstanding practitioners you have provided.

Francis, and Larmie performs all aspects of caring excellently. They show compassion, and I have grown very fond of them.

On behalf of my entire family, we would like to thank Sunshine staff, Francis, and Larmie from the bottom of our hearts.

- Lina Cunanan
